The Young Townships Leader Awards (YTLAs) encourage younger citizens who are actively involved in their communities by celebrating their achievements, contributions, and efforts. Established in 2006, the YTLAs are presented annually to selected Townshippers aged 15 to 35 who have shown leadership within the English-speaking community in the Eastern Townships through their actions at school, at work, or in the wider community within the previous two years (the 24-month period prior to April 30, 2023).

Help Townshippers' Association encourage the younger members of our community to reach their full potential and become engaged in the community at large – culturally, socially, and economically – by nominating them for a YTLA! Thanks to our partners, YTLA recipients will receive a \$1000 cash prize.

Nominations for these annual awards are accepted all year long. The 17th annual Young Townships Leaders Awards will be presented during a special awards ceremony taking place in the summer of 2023.

Nominations received after April 30 will be considered for the 2024 awards.
